Importance: High

DRAFT, DELIBERATIVE

John & Brian – please review the revised text. Changes are provided in track changes. Also 1 comment bubble presents the key findings of the work group but I don't think we need to go into that much detail for Lee. After we agree on final language, I can add in the footnotes from the attached summary paper that Palmer provided.

DRAFT DELIBERATIVE

Good morning, John,

Attached, as requested by DAA Lee Forsgren and for our discussion this morning, are drafts of the Pebble fact sheet, Q&A on the AK mitigation memo and a chart that identifies the 404 (c) actions the agency took post the final ROD.

I will set up a Teams meeting for 9am.

bf
